Dr. D. C. Jarvis has sufficiently recovered from his illness so that he was able to be at his office for a short time this morning. He is still in a weak condition so he is not yet able to perform his former duties quite as before, but expects to be able to do so in a very short time.

A mass meeting of the laboring men and women of the city of Barre will be held in the carpenter's hall, Worthen block, on Thursday, Feb. 13, at 7:30 p. m. for the purpose of seeing what action, if any, will be taken in the forthcoming municipal election. The funeral of Philo G. Camp, who died Friday at the home of Mrs. Addie E. Taplin in Barre town, was held from the Taplin home Sunday afternoon at 1 o'clock. Rev. A deal involving a little over \$12,000 was closed Saturday through the office of the D. A. Perry Real Estate agency whereby John N. McClellan disposed of his property at the corner of North Main and Second streets, known as the White-hill block. He exchanged for farm, stock and tools near Moretown. This farm is known as the Wheeler farm and is considered one of the best in that section. It is especially noted for its splendid sugar bush, there being about 2,000 maples on the property.

A veteran railroader of the Central Vermont line said to-day that the winter of 1918-19 promises to eclipse any previous season within his memory in so far as the rolling stock is concerned. Compared with the rigorous weather of a year ago, railroad conditions have been almost ideal. On only two occasions have the yard crew in Barre been compelled to use the scraper, and then its operations were confined to the Williams-town branch. Snow removal has been a slight problem, and there has been very little cold weather to hamper the trainmen in their desire to keep the trains running on schedule time. Last winter at this time trains "froze" so easily and with such frequency that railroad men were gravely considering the use of skids.

Mrs. W. J. Jellyman of King street has received news of the death of her grandmother, Mrs. Elizabeth Terry, at White River Junction on Saturday of pneumonia. Mrs. Terry was born in Arrostook, Maine, 83 years ago. She leaves three daughters and three sons, seven grandchildren, seven great-grandchildren, and one great-great-grandchild; also one sister and two brothers, the last three living in Maine. The six children are Mrs. F. H. Baldwin of Montpelier, Mrs. Charles Nutting of Hyde Park, Mrs. Fred Carr of White River Junction (with whom Mrs. Terry had been living), George Bard of White River Junction, Henry Bard of South Fairlee, and Charles Bard of Maine. Mrs. Terry was twice married, her first husband being Richard Bard, who died 10 years ago. Her second husband was Nelson Terry, who died three years ago.

A number of civic and business organizations of Barre plan to be represented at the capitol in Montpelier Thursday, when an all-day hearing on the barge terminal bill is to be held. Barre is vitally concerned in the bill, which is designed to link Vermont with a system of inland waterways terminating at Burlington on Lake Champlain. The Barre granite industry, in particular, will be greatly benefited if the project goes through, and much sentiment in favor of the passage of the bill prevails in this city. At the joint hearing which continues through the day and evening on Thursday, a number of prominent out-of-the-state speakers are to address the legislators. It is hoped that a large number of Barre people, even though they do not officially represent any local organizations, will plan to attend the hearing.

MONTPELIER

Mrs. Susan M. Butler Died Sunday After a Long Illness.

Mrs. Sarah M. Butler, widow of the late George D. Butler, who was several years a merchant in Montpelier, died at her home in Montpelier Sunday after a long illness complicated with advanced age. She was a native of Middlesex, a daughter of Mr. and Mrs. Wolcott Smith of that town and the youngest child of the family. She is the last of the family to pass away, one brother having died in the west about a year ago. Most of her life has been passed in Montpelier and while she spent most of her life in the care of her home she had a large circle of friends. She leaves two children, George Butler and Miss Ethel Butler of Montpelier. The funeral occurs at 2 o'clock Tuesday afternoon from her late home on lower State street. Interment will be in the family lot in Green Mount cemetery.

Six cases were filed in Montpelier city court this morning from Northfield. They are the American Agricultural Chemical company vs. F. M. Drinkwater of Roxbury to recover \$188 balance alleged due on fertilizer; E. S. McGiffin of Northfield vs. Vermont Lime Products company, \$100 rent; Joseph Elle vs. E. P. Fisk, \$30, on book account; Leon Brewer vs. J. E. Riley, \$18, due on a stove; J. L. Moseley vs. George Hale, \$38, on book account; H. J. Eaton vs. C. N. Colley, \$74.93, merchandise. All these cases are returnable at Northfield Thursday excepting the Drinkwater case, which is returnable the same day in Roxbury, but in the afternoon.

Mr. and Mrs. V. Fracassi of Waterbury were in Montpelier city court this morning on liquor charges. Mrs. Fracassi is charged with illegal keeping while her husband is charged with illegal selling. The arrests were the result of raid made last week when four barrels of wine, one-half barrel of cider and several bottles of wine were seized. They were waiting for an attorney this morning.

Cross & Son have installed a new electric baker, the work being done by C. P. Myrick of Chicago. It takes the place of their old baker and, occupying a great deal less space in their plant, is to do a great deal more work. It has a capacity to bake 216 loaves of bread per hour, has a baking surface of 61 square feet and is operated with 25 K. W. power. Representatives of baking concerns from Worcester, Mass., Long Island and Pittsfield, Mass., were here to-day. F. D. Ladd of Barre is also among those who are watching the new equipment.

The condition of E. E. Dodge, who is ill at Heaton hospital, is as favorable as can be expected. A part of his jaw bone has been removed to relieve a cancerous condition.

Brandon Jones has been given a leave of absence from the navy and has returned home. He will not get a discharge until after peace terms are signed, it is expected.

W. H. Jeffrey, secretary of charities and probate, believes that he met the worst problem in his experience in a case that came to his attention last week and which was finally closed. It is the case of a woman, aged 30 years, who has been an invalid all her life and has to be moved about in a wheel chair. Last week a report of the matter was made to Mr. Jeffrey's department and Friday a marriage that was compulsory was performed to clear up the state of affairs.

William Milo, jr., who has been in service a part of the time in Newport, R. I., with the artillery, has been discharged and arrived home Saturday evening. Stacey Clark, who spent a few weeks in France, arrived Saturday morning, giving his parents a surprise. He has been discharged from service.

The Montpelier city park commissioners spent through their report that they spent \$148.47 in the fiscal year just ended.

Mrs. N. A. Goodwin has gone to Schenectady, N. Y., for a visit.

The police made a raid Saturday night, upon Grand Juror E. E. Gleason's warrant. Two houses on Berlin street were visited, but no liquor was found and the
